LEARN TO LEAD Y LEADERS CLUB & SLAM (STUDENTS LIVING AS MENTORS)

Teen Leadership Programs PREBLE COUNTY YMCA

Y Leaders is an established YMCA teen program with four areas of focus: leadership development, personal growth, social development, and community service. SLAM, a partnership between the YMCA, Pleasant Vineyards, Recovery & Wellness Centers of Midwest Ohio, and the Preble County Youth Foundation, allows high school students to be a positive role model for middle school students through their monthly SLAM JAM events. Together, Y Leaders Club & SLAM mentors endeavor to give high school students opportunities to realize their leadership potential and be a positive influence in their school and community. With similar missions, the Y Leaders Club and SLAM mentors regularly collaborate on activities and their twice monthly meetings. If you are interested in being a positive role model for younger teens and being a force for good in your community, come join Y Leaders and SLAM!
