NT NEWS - WEEK OF 4/15

MOCK CRASH

On Friday, April 19th at 12:15pm, National Trail High School students and staff will take part in our "Mock Crash" program. The purpose of the "Mock Crash" is to impress upon our students the dangers of distracted driving, especially on Prom night which is Saturday, April 20, 2024. The main objective of this event will be "realism" and "surprise" which we have focused on during the initial planning of this activity. The program will take place behind National Trail High School starting at approximately 9:00am on Friday, April 19th. Weather pending, during the course of this activity, the Preble County Sheriff's Office, Northwest EMA and Careflight will descend upon the school to make this a "real-life" event. Please do not hesitate to contact the school if you have any questions.
