DISTRICT VISION STATEMENT

Our vision is to be a district where every student, regardless of background or need, experiences rigorous core instruction, timely interventions, and a safe, supportive culture that ensures growth, belonging, and post-school success.

NATIONAL TRAIL MIDDLE SCHOOL MISSION STATEMENT

Our mission is to foster a safe, inclusive, and engaging learning environment where all students feel valued and supported. Through high academic expectations, meaningful relationships, and targeted support, we empower students to take ownership of their learning, think critically, and grow socially and emotionally while developing confidence, belonging, and a love of learning.

WELCOME

On behalf of the faculty and staff of National Trail Schools, we welcome you to school for the 2026-2027 school year. As a student at National Trail Schools, you will face many challenges and numerous opportunities for personal growth, intellectual development, social interaction, and involvement in extracurricular activities. We encourage you to seize the opportunities offered here and to gain as much as possible from the middle school experience.

You are entering a school community filled with proud tradition and dedication to achieving only the best. As a student at National Trail Schools, you will represent yourself, your family, your school, and the community in everything that you do. Commit yourself to making the wisest choices and decisions, achieving academic success, and growing as a contributing member of your community.

The student handbook is published so that all National Trail students and their parents may have a ready reference to information that is necessary for understanding the daily operation of our school and for explanations of our school's policies and procedures. All parents and students should read this handbook and retain it for future reference.

We encourage parents and students to contact us concerning any questions about the contents of this handbook, the school's policies, or the progress of any student. Our mission is to serve the students and community of National Trail to the best of our abilities.

We look forward to an exciting and prosperous year!

NATIONAL TRAIL FIGHT SONG

GIVE A CHEER FOR NATIONAL TRAIL

AS THEY MARCH TO VICTORY
AND HAIL THE NAME OF BLAZERS
AS THEY LEAD TRIUMPHANTLY! HEY!

THE RFACTOR

Starting with the 2019-2020 school year, National Trail rolled out the R Factor to the students of our District.

We believe our culture is the heart of our school system. It makes National Trail Schools a special place to learn and work, and it gives us a unique advantage. Building and sustaining the National Trail culture requires intentional effort from everyone in the district.

What is The R Factor?

- A simple, proven, systematic behavior toolbox for Discipline-driven Responses in any situation.
- A common language that drives a powerful, shared culture among people.

As a member of the National Trail Community, we expect ALL to do the following:

- Be the Best Version of You
- Live by Vision, not Circumstance
- Ensure that Everyone Matters

Students will be utilizing devices in the classrooms, and after returning the required agreement, 8th grade students will be allowed to take their designated device home to continue schoolwork. Device use will be monitored by building-level administration as well as district-level administration to gauge the use and effectiveness in the classroom. **Devices are school district-owned, and the contents on the device can be viewed at any time.** Students are expected to have their device with them, fully charged, every school day. Students are charged a yearly fee of $30.00 for the use of a student laptop.

Students will NOT:

- Modify the laptop in any way other than as instructed by the administrator or other school personnel.
- Apply marks, stickers, or other decorations to the supplied laptop.
- Exchange laptops with any other student.
- Clear or disable browsing history on the device.
- Disable the Laptop or its applications.
- Possess pornography of any kind on the laptop
- Possess illegal (bootleg/pirated) copies of movies or music on the laptop
- Violate any rules set forth in the NTLS Acceptable Use Agreement

Using the Laptop/iPad

- Clean the screen with approved soft, lint-free cleaning towels. Do not use any spray cleaners or liquids.
- Keep the laptop/iPad away from food and drink.
- Charge the laptop only with the included charger and use a standard wall outlet for your power source.
- Have the laptop fully charged and ready for use during the school day.
- Keep the laptop in a well-protected, temperature-controlled environment when not in use.
- Do not leave the laptop in a vehicle or location that is not temperature-controlled.
- Laptop must be kept in a school-issued case at all times.

Proper care of laptops/iPads through the school year, and returning them at the end of the school year, with all accessories, is the responsibility of the student. Students not returning their laptop will be assessed the value of a replacement and added to their school fees. Students must carry their laptops with them at all times during the school year. Students who may not be able to financially replace items will have to work it off by working with Mr. Pool after school.

Cost of Replacement/Repairs

Parts costs (fees) will be incurred for: Lost laptop ($300)
Broken screen ($65)
Broken hinge ($45)
Replacement keyboard ($15)
Scratched Palmrest ($45)

Students are not permitted to be in the academic halls until 7:20 am. National Trail Schools has a closed lunch. Students are not permitted to leave the school building without permission from the principal, and are not allowed to have guests during lunch.

BUS REGULATIONS

Transportation is provided by the National Trail Local School Board of Education to deliver students to and from school and extra-curricular events as safely, efficiently, and effectively as possible. Transportation should be regarded as a privilege by students and parents. All school rules apply when students are being transported by a National Trail bus. It is expected that those who ride the school buses will observe classroom conduct at all times. **All passengers must exercise these responsibilities.** Any misbehavior that distracts the driver is a very serious hazard to the safe operation of the vehicle and jeopardizes the safety of all passengers. Such actions may be subject to disciplinary consequences.

The driver is in charge. Students should obey the driver's instructions promptly and respectfully.

Students are expected to comply with the following:

1. Students are to load and unload only at their assigned bus stop.
2. Arrive at the scheduled bus stop at least 5 minutes before the bus is scheduled to arrive.
3. Wait in the assigned, designated place of safety, clear of traffic and away from the bus stop.
4. Do not engage in any activity at school bus stops that threatens life, limb, or property of any individual. School rules apply at all bus stops.
5. Follow all directions given by the driver.

12. No fighting, pushing, tripping, or horseplay.
13. The head and arms are to be kept inside the bus. Throwing objects out the window is dangerous to pedestrians and other vehicles and is not allowed.

Consequences can include, but are not limited to, the following: a Student warning issued by the driver, parent notification by the driver and/or school staff, an assigned designated seat, and/or a discipline report to the principal, which may result in bus and/or school suspension. **Students will be assigned seats at the driver's or administration's discretion.**

Students are only permitted to ride their assigned bus to and from school. Exceptions to this rule will only be made by the building administrator and/or director of transportation.

Students who stay after school for **academic reasons** may be provided with a bus pass from that specific teacher. Students staying after school for detention must provide their own transportation.

not bring beverages in glass or open containers. Students may not have food delivered to school, nor have lunch guests during the school day. **Open containers may only be consumed in the cafeteria.** Students are expected to be on time to lunch and to show proper manners at all times. Students are expected to clean their area/table when finished. Students are not allowed to leave the cafeteria without the permission of a Lunchroom Supervisor(s).

18. Users will be responsible for restitution due to actions resulting in damage to any part of the network or school-owned technology.
19. It is against school policy for any student to record any class, school event, or event in the school without the permission of each participant. Class recordings done by teachers for instruction are considered to be for the use of their students only and may not be shared outside of the classroom environment.

[Re-adoption date: January 11, 2021]

Students should also be familiar with the following Board Policies:

1. Policy EDE – Computer/Online Services
2. Policy JFCK – Use of Electronic Communications Equipment by Students

These policies can be found on the National Trail Local Schools District Website. www.nationaltrail.us

e-HALLPASS (Grades 6-12)

Students will request or be assigned passes through the e-Hallpass System. Staff members may also request students via the same system. Students found misusing the system for themselves or others may face disciplinary action, up to and including limitation of hall passes.

FEES

Student fees are collected to help pay for workbooks and other consumable supplies purchased by the school. Fees are required to be paid at the beginning of the school year. If student fees present an undue hardship, arrangements should be made with the principal or her/his designee at the beginning of the school year. Records of unpaid fees are kept from year to year in the student's permanent record. All fees must be paid before a student may attend the Washington, D. C. trip, receive a diploma, and graduate from high school in the National Trail Local School District.

FOOD ALLERGIES

Food Allergies can be life-threatening. The risk of accidental exposure to foods can be reduced in the school setting if schools work with students, parents, and physicians to minimize risks and provide a safe educational environment for food-allergic students.

- Notify the school of the child's allergies.

- Work with the school team to develop a plan that accommodates the child's needs throughout the school, including in the classroom, in the cafeteria, in after-care programs, during school-sponsored activities, and on the school bus, as well as a Food /Allergy Action Plan.
- Provide written medical documentation, instructions, and medications as directed by a physician, using the Food Allergy Action Plan as a guide. Include a photo of the child on the written form.
- Provide properly labeled medications and replace medications after use or upon expiration.

FIELD TRIPS

Field trips are academic activities that are held off school grounds. There are also other trips on and off the school campus that are part of the School's co-curricular (elementary/middle school participation) and extra-curricular program. No minor student may participate in any school-sponsored trip without parental consent and a current emergency medical form on file in the office. Medications normally administered at school will be administered while on field trips. The Student Code of Conduct applies to all field trips.

- While the District encourages students to participate in field trips, alternative assignments will be provided for students whose parents do not give permission to attend.
- Misbehavior on a previous trip during the current school year will result in no field trips for that student for the remainder of the school year.
- Students who are suspended during the semester or have 3 or more days of ISD may be ineligible for any field trip.
- Students are required to obtain any missed assignments IN ADVANCE from their teachers and have the work completed upon their return the next class period.
- Any student with excessive absences from school and/or having one or more F(s) in classes may be ineligible for the scheduled field trip. A list of student names must be sent to the Principal for approval 1 week before the scheduled trip.

GUIDANCE SERVICES

Guidance services are available for every National Trail student. These services include assistance with educational planning, interpretation of test scores, occupational information, career information, study help, help with home, school, and/or social concerns, or any question the student may feel should be discussed with the counselor.

INDIVIDUALS WITH DISABILITIES

The Americans with Disabilities Act (A.D.A.) and Section 504 of the Rehabilitation Act provide that no individual will be discriminated against based on a disability. This protection applies not just to the student, but all individuals who have access to the District's programs and facilities. A student can access special education services through the proper evaluation and placement procedure. Parent involvement in this process is required. More importantly, the School wants the parent to be an active participant. To inquire about programs, a parent should contact the school. Each staff member is accountable for advancing student achievement by helping every student reach his or her optimal level of success. National Trail Local Schools will require reliable and accurate data to foster achievement for every student. When a student requires intervention, parents will be provided with the amount of student data that will be collected, strategies for increasing the child's rate of learning, and the general services that will be provided. Intervention is sometimes a process of longer duration than a few months, even lasting multiple school years. Any parent who feels that intervention is not making sufficient progress for their student has the right to request a full evaluation for special education services.

LOCKERS

National Trail Middle School provides lockers for every student. Students are required to keep

backpacks, satchels, duffle bags, etc., in their lockers and not take them to class. District-provided laptop bags are acceptable to take from class to class. Small purses or handbags not designed to carry books, laptops, or other school supplies are NOT allowed in the classroom.

MEDICATION AND ILLNESS AT SCHOOL

Students who become ill during the school day should report to the clinic with a note/hall pass from their teacher. The nurse will contact the parent if deemed necessary for student dismissal. **Students not dismissed by the nurse will be considered ok to return to class. Students who text their parents/guardians about their sickness to be picked up and DO NOT report to the clinic will for the first incident, be given a warning and an unexcused absence. Any repeated occurrences will require consequences as deemed necessary by the building principal.**

Students are given as many days as they are absent to make up any missed class or homework. For over-the-counter or prescription medication during the school day, the parent/guardian must arrange for the school nurse or office to hold and dispense the medication. A medication authorization form MUST be completed before any medication can be administered to a student by the school nurse or other school personnel designated to perform this task. Students are not permitted to hold or self-administer any type of medication during the school day. This includes but is not limited to such medicines as aspirin, Tylenol, Ritalin, or any prescription drugs. Students who do not follow these rules are guilty of possession or trafficking (if given to another student). Students are permitted to carry prescribed inhalers if they have a current medical authorization form on file in the clinic. **Any student who contacts their parents/guardian without the acknowledgment of the school clinic/office is subject to disciplinary action.**

OFFICE TELEPHONE

Office telephones may not be used for personal calls. Except in an emergency, students will not be called to the office to receive a telephone call. Students are not to use telephones to call parents to receive permission to leave school. Office personnel will initiate all calls on behalf of a student seeking permission to leave school. Students are not to use classroom phones without approval of the teacher.

Voicemail – All teachers have voicemail and a telephone in their classroom. Do not hesitate to call a teacher when questions arise.

RECORDS

A. Access To Student Records - Parents
   1. Parents requesting access to their child's records must be granted access within 45 days of the request.
   2. Parents have the right to receive copies of their child's records. There is a copy charge of 10 cents per page.
   3. Parents have the right to a response from school officials to reasonable requests for explanations and interpretations of those records.
   4. Parents have the right to an opportunity for a hearing to challenge the contents of those records.

B. Access to Student Records – Non-custodial Parents
   1. A divorce or change in custody does not change the rights of a natural parent to their child's records.
   2. A non-custodial parent may request and receive a copy of the child's report card, the permanent record, and the opportunity to hold a teacher conference. Only the custodial parent has the right to make educational decisions requested by the school.
   3. Step-parents have no rights to records, reports, or conferences unless these rights are conferred

on them by the custodial parent.

C. Change of address or Phone

Any time a student moves or has a change of address or phone number, he or she is to inform the school secretary immediately so that school records can reflect the change.

D. Child Custody

1. Parents have an obligation to inform the school anytime the custody of a child changes.
2. It is the responsibility of the parents to ensure that the school officials receive a copy of the court orders pertaining to a child's custody.
3. The school shall not accept out–of–state court orders for a parent to leave with a child. Only in-state court orders that are current shall be honored.

E. Confidentiality

1. Student records are confidential and are protected by the "Privacy Act". Only the school staff and the child's natural parents or legal guardians have access to the records.
2. Directory information on the child is not protected by the "Privacy Act". Directory information includes pupil's name, address, phone number, date of birth, place of birth, major field of study, dates of attendance, date of graduation, sports activities participated in, and, in case of athletic team members, the height and weight of the pupil. Parents may request in writing that the school not release this information.

F. Unpaid Fines or Bills

Grade cards may be withheld if there are any fines or unpaid bills at the end of the grading period, semester, or year. After graduation and until paid, any unpaid bills or fines will be indicated on the student's cumulative records.

REMOTE LEARNING DAYS

A remote learning day is an electronic makeup day as a means for making up calamity days after **Day 5**. Teachers will post lessons to their class Moodle page or SeeSaw page, and students will complete those lessons. Consideration will be given for students who do NOT have internet access from home. Failure to complete **ALL** remote learning day work will result in the student being given an unexcused absence from school for that day. On remote learning days, students will follow the schedule that is provided by each building principal prior to the start of the remote learning day.

RETENTIONS

Students in the 7th and 8th grades who fail 2 or more core subjects (Math, English, Social Studies, and Science) may be retained. If a student passes summer school classes so that they are passing 3 core classes, they will be promoted to the next grade. Students in 5th and 6th grade will be retained on a case-by-case basis with the input of the classroom teachers and parent/guardian. The decision to retain or not to retain will ultimately be made by the building principal.

SCHEDULING

Schedules are provided to each student at the beginning of each school year or upon enrollment. Any change in a student's schedule should be handled through the counselor's office. Students may be denied course enrollment due to a lack of available space or the need for the student to pass prerequisite courses. Parents, students, instructors, and/or building administrators may request a schedule revision. The person(s) requesting the revision must submit the proposal to the Counselor's Office in writing. Students may change their class schedule, drop, or add a class only with the permission of the parent/guardian, guidance counselor, both teachers, and the principal. All schedules will be permanent 1 week after school begins.

SCHOOL CLOSING/DELAY

In the event of inclement weather, please turn to one of the major radio or TV stations for school information. If weather conditions dictate that National Trail Schools are closed, this will be indicated. The schools will also make use of ParentSquare and social media to alert parents of delays or cancellations.

SELLING AT SCHOOL / NON-SCHOOL-RELATED FUNDRAISERS

Students are not to sell or trade any items of any kind, nor ask for donations for any non-school-sponsored organization, unless permission is granted by the school administration.

STUDENT JOURNALISM

All official student publications (newspapers, yearbooks, etc) are a part of the school curriculum. Editorial control remains with school authorities.

TEXTBOOKS

Textbooks are supplied by the Board of Education and are loaned to students for their use. The student is responsible for the books and should see that they are not damaged or lost. In case of damage beyond normal wear or lost books, the student will be charged replacement costs.

The visitor tag MUST be worn and visible by guests at all times. **If a person wishes to confer with a member of the staff, he/she should call for an appointment prior to coming to the school in order to schedule a mutually convenient meeting time.** Students may not bring visitors to school without prior written permission from the Principal. Failure to secure this authorization may result in charges of trespassing. Students are not allowed to have visitors for lunch.

Parents are not permitted to hand-carry a student's records to another school. The parent must sign the Transfer Form at the school to which the child is being transferred; that school will then request and we will transfer the child's school records by mail.

Students under the age of 18 who withdraw must be re-enrolled in another school within two weeks (pursuant to O.R.C. 3321.13 (B) (1)). Failure to do so results in the superintendent notifying the Judge of the Juvenile Court and the Bureau of Motor Vehicles.

SAFETY PROCEDURES

FIRE DRILLS

Fire drills are required by law and are an important safety precaution. A fire evacuation plan is posted in each room. Students should study the Fire Drill plan in each room where he or she attends class and become familiar with it. When the fire alarm sounds, students should exit the building quietly, quickly, and orderly, as previously instructed by their teacher, and should report to the designated meeting point, away from the building. Running is not permitted. The first students to reach an outside door are to hold it open until all have left the building. Students should refrain from talking while exiting the building and until attendance and instruction are given, and are to remain at least fifty feet away from the building until the signal is given to reenter. No one is to return to the building until permission is given by the principal/designee.

TORNADO DRILLS

Tornado drills are required by law and are an important safety precaution. A tornado drill procedure is posted in each room. Students are to go to the designated area quickly, but do not run. Students are to stay quiet at all times and listen for directions.

LOCKDOWN DRILLS

Lockdown drills have been established by the administration of National Trail Schools to train students to respond in emergency situations.

AUDIBLE OUTSIDE WARNING

When weather or safety concerns are an issue and students are outside, an Outside Threat Warning Recognition System is in place. When students hear announcements through the intercom system,

students are to take immediate shelter in the designated safe location.

NATIONAL TRAIL LOCAL SCHOOLS STUDENT DRESS CODE

Revised 6/30/2026

PROPER DRESS AND APPEARANCE

Rights

Students have a right to wear clothes of their choice as long as those clothes are appropriate for school, are not dangerous to health and safety, and do not distract or offend others.

Responsibilities

Students have a responsibility to dress neatly, appropriately and be clean and well groomed.

The dress code provisions listed below are not meant to keep students from expressing themselves, but to teach proper attire in a given situation and to permit the proper management and control of the learning atmosphere for the student body. All students are expected to dress in a manner which will not bring undue attention to himself or herself.

School dress standards will be in effect for all school days and school-related activities unless prior approval is granted. Any clothing or dress style that distracts or disrupts the normal learning atmosphere in the classroom will not be permitted.

Specific provisions are as follows:

1. Hair must be clean, neat, and well-groomed so as not to create a health or safety hazard. All students should observe good health and grooming habits. Eyes must be visible at all times.
2. Clothing must be clean, well-fitting, and in good taste.
3. Dresses, skirts, and shorts shall cover the buttocks at all times. At no time may underwear be visible.
4. Shirts or tops will be long enough to tuck into pants and will have an appropriate neckline. Shirts or tops that reveal portions of the waistline, torso, or chest area are not appropriate. Tank tops, tops with spaghetti straps or transparent garments, open mesh garments, or garments with large open sides may not be worn without an appropriate underliner. Trench coats are not allowed to be worn.
5. Clothing or personal possessions containing messages that are offensive/obscene, sexually suggestive, or make reference to violence, illegal drugs, and alcohol or tobacco products are not permitted. Images or language that creates a hostile or intimidating environment based on any protected class or consistently marginalized groups are also prohibited.
6. Students will be asked to remove any body piercing that creates any physical safety concerns.
7. Hats and hoods are NOT to be worn in the building at any time. When in the building, hoods must be down for safety concerns.
8. Shoes must be worn at all times and must not present a safety hazard.
9. Blankets are not allowed or permitted while on school grounds or school-owned property during the school day. This includes bus pick-up and drop-off.

The responsibility of enforcing the dress code belongs to all students, parents, and faculty members, but ultimately belongs to the principal. In questionable situations, the administration will have the right to decide what is acceptable and unacceptable dress or appearance. The code is subject to immediate review and change at any time by the National Trail Local Board of Education.

NATIONAL TRAIL ACADEMIC INFORMATION

GRADING SCALE

A student must meet all requirements of the school district and teacher before any course of study can be considered passed. The following system must be used in determining the student's grade.

90 – 100 = A 80 – 89 = B 70 – 79 = C 60 – 69 = D 50 – 59 = F

INCOMPLETES

All work must be completed within 10 school days of the end of the 9 weeks. After the 10th day, all missing assignments will be changed to a "0". It is the student's responsibility to verify their final grade with the teacher.

HONOR ROLL

Each grading period, students who achieve certain academic levels will be recognized for their success.

Principal's List - GPA of 3.0 – 3.9
Superintendent's List - GPA of 4.0 or straight A's.

COLLEGE CREDIT PLUS/POSTSECONDARY ENROLLMENT OPTIONS (policy IKF)

Credit is awarded for courses successfully completed at an accredited post-secondary institution. High school credit awarded for a course successfully completed under College Credit Plus, or where applicable, the former Postsecondary Enrollment Options Program, counts toward the graduation requirements and subject area requirements of the District. If a course comparable to the course successfully completed is offered by the District, then comparable credit for the completed equivalent course is awarded. If no comparable course is offered, the District grants the students an appropriate number of credits in a similar subject area.

Course Work Prior to Ninth Grade (Policy IKF)

Student work successfully completed prior to the ninth grade is applied towards graduation credit if the course is taught by a teacher holding a license valid for teaching high school and is designated by the Board as meeting the high school curriculum requirements.

DUAL ENROLLMENT (CCP)

Students may enroll in a dual enrollment program provided they meet the requirements established by the district. Any interested student should contact the guidance department to obtain the necessary information. Involvement in the dual enrollment program requires a great amount of time, organization, and responsibility. By choosing to participate in this program, the student and parent(s) assume the responsibilities for completing college course requirements and meeting National Trail graduation requirements.

- **If the course is dropped after the 'drop-by date' established by the university or college, or failed, the student/parent is responsible for all costs.**
- CCP Courses may only be taken through an Ohio college or university.
- Dual Enrollment Courses may be taken at any National Trail approved college or university
- The number of college courses allowed is determined by the number of high school courses taken by that student during the academic year.
- Homework, tests, and other college assignments are the responsibility of the student.
- Off-campus Transportation, class schedule, etc., must be arranged by the student.
- College 'credit' and high school 'credit' differ.
- Athletic participation: Students must be enrolled in 5 full credits (may be a combination of college/NT courses) to participate in NT athletics.

- Dual Enrollment courses that are required for graduation must be completed by seniors prior to NT graduation.
- Transcripts of completed college courses must be received by the guidance counselor prior to the graduation date for seniors.
- College grades ARE shown on an NT student transcript and are factored into GPA as a weighted grade.
- College grades are factored into GPA when the college course is completed.

All students must notify the high school administration or guidance counselor by April 1st of their intent to participate in the Dual Enrollment program by turning in a letter of intent. Students who do not meet the program requirements will not receive written permission to participate.

NTMS HONOR SOCIETY

Membership in the NTMS Honor Society is not a right; rather, it is an honor bestowed upon a 7th and/or 8th-grade student because he or she has demonstrated qualities of excellence in the areas of scholarship, leadership, service, and character. A qualifying GPA of 3.5 is needed to be considered. Students who qualify will have the opportunity to fill out an application that documents leadership, service, and character. The application form must be turned in by the deadline for consideration. Once the forms have been completed, they are given to the faculty committee for review. The faculty committee then meets and picks the students for membership. All students who submit informational forms will be notified of selection or non-selection. The faculty committee is under no obligation to reveal information concerning non-selection.

ATHLETIC ELIGIBILITY

A. All eligibility guidelines established by the OHSAA and the National Trail Local School District are to be strictly enforced.

B. OHSAA Guidelines:

a. Eligibility for each grading period is determined by grades received in the preceding grading period. *Semester and Yearly grades have no effect on eligibility.*

b. **Grades 9-12**: To be eligible, a student must be currently enrolled in a member school and have received passing grades in a minimum of five one-credit courses, or the equivalent, in the preceding grading period. All beginning 9th graders must have passed a minimum of 5 courses taken in the last grading period of the 8th grade. All students in grades 9-12 must attain a minimum grade point average of **2.0** during the preceding grading period.

c. **Grades 7-8:** To be eligible, a student-athlete must be currently enrolled in a member school and have passed a minimum of 5 subjects in which enrolled the immediately preceding grading period. A student enrolling for the first time as a seventh grader is eligible for the first grading period regardless of previous academic achievement.

d. At the end of each quarter, student eligibility will be checked. Students failing to pass 5 full credit courses (or equivalent) become ineligible. Students who are ineligible during this time will be unable to participate in athletic contests. (Athletes may practice, but not dress in uniform for, nor play in games)

i. If a student passed 5 1-credit classes the prior quarter and, at the midterm grades, has earned a GPA of 2.0 or higher, they may regain their eligibility. So long as all OHSAA requirements have been met. ***This exception can only be used once per school year.***

e. For eligibility, summer school grades may not be used to substitute for failing grades received in the final grading period of the regular school year or for lack of enough courses taken the preceding grading period.
f. A student who is ineligible and becomes eligible does not qualify for participation until classes commence for the next grading period (except in the fall-OHSAA Bylaw 4-4-3).
g. A student who is eligible and becomes ineligible is not denied participation until classes commence for the next grading period (except in the fall-OHSAA Bylaw 4-4-3).
h. The eligibility of a transfer student does not begin until school records or verification from the sending school is received. If the grades are below a **2.0** for the grading quarter prior to transferring, the student is ineligible.

C. The National Trail Board of Education has implemented the following eligibility standards for participation in extracurricular activities:
a. A high school grade point average of **2.0** must be maintained each quarter of eligibility. A student must maintain the required grade average for each grading period. This procedure used to calculate the average will be the same as that used to determine the school honor roll.
b. The athletic director will issue written notification of a GPA lower than the standard. c. If an athlete is denied participation for any reason (academic or Discipline), he/she may continue to practice only with the approval of the head coach, athletic director, and the building principal. The athlete may not dress for competition during this period of denial of participation.
d. Student grades are final as of 2:30 p.m. on the Monday following the last day of the grading period. The only way a student will receive a grade change for eligibility purposes is if a student's grade is listed as Incomplete due to absences or other extenuating circumstances.

D. All eligibility guidelines established by the OHSAA and the National Trail Local School District are to be strictly enforced

NATIONAL TRAIL MIDDLE SCHOOL - ATTENDANCE POLICY

Attendance is an important factor in school performance and success. It is in the best interest of each student to maintain regular school attendance. Ohio school law requires school attendance of every person of compulsory school age during each school day.

Rights

- Student have a right to know how the school defines and handles excused absences, unexcused absences, and tardiness.
- Students have a right to ask that a penalty for an unexcused absence be reviewed.
- Students have a right to make up work they missed during an excused absence.
- Students have a right to attend field trips or school-sponsored activities without being penalized.

Responsibilities

- Student have a responsibility to attend all classes.
- Students have a responsibility to be on time for school and all classes.
- Students have a responsibility to ask their parents to notify the school when they are absent.
- Students have a responsibility to ask teachers for and to complete make-up assignments.

- Students have a responsibility to turn in assigned work on time while on field trips or school-sponsored activities.

TIER 1: AWARENESS OF DISTRICT ATTENDANCE POLICY

STUDENT ABSENCE

National Trail Schools has created a "Multi-Tier" approach to address Chronic Absenteeism in our schools. Student absences take away from instructional time and have an adverse effect on student learning. National Trail has identified strategies to prevent students from becoming chronically absent. Parent, guardian, and student awareness of the attendance policy is key to providing students with the best opportunity to obtain a solid education for each grade level. Please thoroughly read this attendance policy.

NOTIFICATION OF ABSENCE

If a student is absent from school, the parents/guardians must notify the school attendance office by 8:15 a.m. and provide an explanation. Upon returning to the school, a written note shall be provided within 5 school days, stating the date(s) and the reason for the absence.

STUDENT ABSENCES: EXCUSED AND UNEXCUSED

Excused Absences: Lawful excused absences are defined as follows:

1. Personal Illness of the student
2. Illness in the student's family, needing the presence of the child
3. Quarantine for contagious disease
4. Emergency or other set of circumstances in which the judgment of the Superintendent constitutes a good and sufficient cause for absence from school, which may include but not be limited to absences due to documented medical, behavioral, or dental appointments.

Unexcused Absences: Absences occurring for any reason not listed above may be classified as Truant (unlawful). Any hours missed beyond the 62.5 hours (10 days) permitted by parental notes will be counted as unexcused, unless the reason is accompanied by a medical note.

PARENTALLY EXCUSED ABSENCES PROCEDURES

When a student has accumulated 30 hours (5 days) parentally excused absences during the course of the school year, the principal/designee will contact the parents/guardians via a letter. This letter will stress the importance of good attendance and ask if there is any way the school can be of assistance.

When a student has accumulated 60 hours (10 Days) of parentally excused absences during the course of the school year, the school official will contact the parents /guardians via a letter. The letter will explain the school's concern and that the threshold for parentally excused absences has been met.

HABITUAL TRUANCY

Unexcused absence from school is not acceptable. A student will be considered Habitually Truant if the student is absent without a legitimate excuse for one or more of the following State of Ohio Habitual Truant thresholds (often referred to as Habitual Truancy Triggers):

a. 30 consecutive unexcused hours (5 unexcused days in a row)
b. 42 unexcused hours within a school month (7 unexcused days within a calendar month)
c. 72 unexcused hours within a school year (12 unexcused days within a school year)

National Trail Schools will be diligent in their attempts to obtain excusal notes (parent note and/or medical notes) from parent/guardians to excuse any and all unexcused absences from school. The goal of obtaining excusal notes is to avoid a student from reaching of the Habitual Truancy thresholds (triggers)

.

CHRONIC ABSENTEEISM (ORC 3313.48)

"Chronically absent" is defined as missing at least 10% of the minimum number of hours required under ORC §3313.48 for the school the student attends. Missing 10% of the school year, excused or unexcused. Statistics show student academics suffer when students are chronically absent from school. This also affects graduation rates. The goal of every public school in Ohio is to reduce the percentage of days missed from school. Beginning August 1, 2026, all Ohio public schools will be required to notify parents and/or guardians when a student misses 5% of the school year. Notification may require an intervention meeting with school officials if the school principal deems it necessary.

TARDY TO SCHOOL OR CLASS

If a student is not in his/her assigned room when school begins at 7:30 am, or the tardy bell rings before each class, he/she will be considered tardy. If a student is tardy to school, he/she must report to the office for a pass to class.

Steps for unexcused tardies per semester:

1. Third unexcused tardy	Meeting with Principal and/or Designee
2. Fifth unexcused tardy	After School Detention
3. Any additional tardy	Principal's Discretion

TIER 2: NOTIFICATION OF THE DISTRICT ATTENDANCE POLICY

AttendanceK12 software will monitor student attendance and notify parents /guardians by text message and an email letter when the following attendance thresholds are met:

Parent Excused Absences Thresholds

1. 5 parent excused absences (30 hours)
2. 10 parent excused absences (60 hours)

Habitual Truancy Avoidance Thresholds

3. 24 hours of unexcused absences
4. 36 hours of unexcused absences

5. 48 hours of unexcused absences
6. 60 hours of unexcused absences

Chronically Absent Thresholds

7. 5% Chronically Absent (excused and unexcused absences)
8. 10% Chronically Absent (excused and unexcused absences)

AttendanceK12 software will be used to set intervention meetings to address any of the above-listed absences. Phone calls and emails will be sent to parents as a means of creating an open dialog concerning student absences.

TIER 3: DISTRICT STRATEGIES TO ADDRESS CHRONIC ABSENTEEISM

Chronic absenteeism results in students having fewer opportunities to develop the academic and social-behavioral skills needed to allow for a successful future. Indeed, students who are chronically absent in high school have less than a 10% chance of graduating on time, which has many downstream economic impacts, including lower-status occupations, higher rates of unemployment, and lower earnings.

Tier 3 will address school interventions with parents/guardians with the goal of avoiding Habitual Truancy complaints being filed at the Preble County Juvenile Court. Intervention meetings will be scheduled with parents/guardians/students to discuss the student's academic success when a Chronic Absentee percentage has been reached. Intervention meetings will be conducted at school, by phone, or via Zoom.

STATE OF OHIO HABITUAL TRUANCY LAW (ORC 3321.191) - TRIGGERING EVENTS

- 30 Consecutive hours of unexcused absences from school
- 42 Hours of unexcused absences from school within a calendar month
- 72 Hours of unexcused absences from school during the current school year

DISTRICT RESPONSIBILITY - ABSENCE INTERVENTION TEAM (AIT)

a. Selects members of the Absence Intervention Team (AIT). Schedule AIT meeting.
b. Make 3 attempts to secure participation of parent/guardian/custodian to attend the AIT meeting.
c. AIT has the option to execute the AIT Meeting if the parent/guardian/custodian participation in the AIT meeting cannot be secured.
d. AIT to develop the Absence Intervention Plan (AIP). Parent/guardian/custodian is given a copy of the student's AIP.
e. If parent/guardian/custodian are not responsive to the AIT/AIP process, the AIT may make a determination whether there is reason to involve Child Protective Services.

DISTRICT RESPONSIBILITY - ABSENCE INTERVENTION PLAN (AIP)

- AIP for duration of 90 hours, approximately 15 school days (6 hr avg school day)
- 18 Consecutive unexcused hours (3 school days), "Automatic failure AIP"
- 24 Unexcused hours in a calendar month (4 school days), "Automatic failure AIP"
- After the 90-hour AIP is complete, the Attendance Officer (AO) and the AIT will review the student's attendance to determine if compliance with the AIP was met.

- If the student makes satisfactory progress, the AO/AIT may decide not to refer the truancy issue to Juvenile Court. If no progress is made, the attendance officer will file a referral to the Diversion program or a complaint to the Preble County Juvenile Court.
- If student hits another HT trigger after completion of AIP, AO will file a complaint
- **FAILURE OF THE AIP - PREBLE COUNTY JUVENILE COURT AND DIVERSION PROGRAM**

- Referral to Diversion program for 1st-time offenders 12 years of age or older
- File with Juvenile Court for 2nd-time offenders 12 years of age or older. File "Unruly" against student; file "Non-Support of Student" against parents
- File "Non-Support of Student" complaint with Juvenile Court Prosecutor against the parents/guardian/custodian of offenders under the age of 12 years
- Diversion or Court filing on student/parents/guardians who reach a Habitual Truant threshold twice in one school year and/or consecutive school years. No additional AIT/AIP required
- ***Attendance Officer and the Absence Intervention Team have the "Option" to not file on students and parent/guardian/custodian if a student fails the Absence Intervention Plan. On a case-by-case basis to be determined by the AO and the AIT team.***

CHRONIC ABSENTEEISM INTERVENTION

National Trail Schools will include procedures for notifying parent/guardian when a student is absent for a number of hours determined by the Board (cannot exceed 5% of the minimum number of hours required under ORC § 3313.48 for the school the student attends.

At or before a student misses 5% of school, intervention meetings will be set to outline strategies to aid and support the student's academic health with resources to help students and families address the root causes of the absences. Intervention meetings will be held at the school, by phone, via Zoom, and/or home visit by the intervention support team or counselor.

- Behavior Support – Principal meetings with students/parents/guardians to address the behavior(s) that interfere with the student's academic success.
- Mental Health Support – Counselor meetings with students and parents/guardians to address the student's mental health issue(s) that may be interfering with the student's academic success.
- Credit Recovery Support – Principal to use resources to convert Chronic Absences into academic success.
- Parent/Guardian Support – Success Program Liaison involvement with families to address barriers that cause students to miss school.

NATIONAL TRAIL LOCAL SCHOOLS CODE OF CONDUCT

6/30/2026

Rights	Responsibilities
Students have the right to be treated with respect.	Students have the responsibility to treat others with respect
	Students have the responsibility to respect the rights of others.
Students have the right to a safe and orderly school.	Students have the responsibility to treat school property and others with respect and to act in a way that does not interfere with the rights of others and is not harmful to the health and safety of others.

The faculty and staff of the National Trail Local Schools are committed to providing each student with a quality educational opportunity. In order to successfully provide a positive learning atmosphere, student discipline must be established and maintained.

This Code of Conduct has been established to ensure that an environment conducive to learning can take place. We expect that all students will be well-behaved and represent National Trail Schools both on and off of campus. The following discipline code is in place to teach or train students to be accountable for their own conduct and to provide an appropriate learning atmosphere.

We have developed this code with the help of students, parents, teachers, administrators, and members of the Board of Education, as well as law enforcement authorities. If you have questions about this code or the way it applies to any situation, please contact one of your child's teachers or the principal.

DISCIPLINARY ACTIONS

Violations of any one or more of the rules while a student is on school grounds, at school activities and events, or on school-provided transportation, may result in disciplinary action. Disciplinary actions are discretionary to the building administrators.

Some of the disciplinary actions that may be used are:

Teacher-student conference
Counselor-student conference

Rule 1A - TRUANCY, 1B - CHRONIC TARDY 1C - UNEXCUSED ABSENCES
Students shall comply with the compulsory school attendance laws. When a student is absent from school or any portion of the school day without a legal excuse or leaves without school authorization, it constitutes truancy. Electronic devices may be confiscated and given to local law enforcement.

All communications between parents and students are to take place through the office. Texting or electronic communication during the school day, regardless of who it is with, will be considered a technology violation unless with administrative permission.

The school-assigned student profile picture must be appropriate as determined by the administration.

Violations of the Student Network and Internet Acceptable Use and Safety Policy are also considered technology violations.

Rule 18 - PUBLIC DISPLAY OF AFFECTION
Students may not show public displays of affection on school grounds, on a school bus, while on a school field trip, or during an extracurricular event.

Rule 19 – PERSONAL TRANSPORTATION
Students are afforded transportation to and from school as set forth in the Ohio Code. Students who drive to school are not permitted to operate a vehicle in a reckless manner on school grounds. Speeding and/or peeling tires are not acceptable and will result in the required parking pass being suspended. Further disciplinary action could occur at the discretion of the administration. Also, students are required to enter the building upon their arrival to school and are not permitted to sit in their vehicles in the parking lot upon arrival or after dismissal. Students are to park in designated areas only.

Rule 20 – REPEATED VIOLATION OF SCHOOL RULES
A student shall not violate the Student Code of Conduct or other rules that are established for the efficient operation of the school. A student who violates a combination of the rules above may be subject to more severe consequences.

Violation of any of the following will result in an out-of-school suspension with a possible recommendation for expulsion:

21A USE/POSSESSION OF GUN
Rule 21B USE/POSSESSION OF OTHER WEAPON
Rule 21C USE/POSSESSION OF EXPLOSIVE
Rule 21D – FIREARM LOOK-ALIKES
Any student who possesses, handles, conceals, transmits, transports, or uses any item, weapon, or instrument capable of harming another person on school property (includes but is not limited to: brass knuckles, knives, fireworks, smoke bombs, explosive devices, incendiary or poisonous products, or firearms) will be referred to law enforcement officials. This prohibition includes any look-alike items, toy guns, etc.

Rule 22A - USE/POSSESSION OF DRUGS
Rule 22B - USE/POSSESSION OF ALCOHOLIC BEVERAGES
A student shall not possess, handle, transmit, conceal, or use drugs, alcoholic beverages, narcotics, or any other substance prescribed or non-prescribed that may cause physical, mental, or emotional change. Included in this prohibition is the use of any counterfeit or "look-alike" drug/controlled substance as defined by Section 2925.01 of the Ohio Revised Code. A student shall not possess any drug paraphernalia.

Rule 23 - UNAUTHORIZED FIRE
A student shall not ignite an unauthorized flame in any part of any building or on any property of the National Trail Local School District.

Rule 24 - FALSE ALARMS
A student shall not initiate an alarm for fire, an impending bomb explosion, or other catastrophe that induces panic and disrupts the school day. Threats of severe school violence can be included in this restriction. The school will refer these cases to law enforcement authorities. Students and/or their families may face criminal prosecution and be liable for up to a $10,000.00 fine.

SEARCH OR SEIZURE OF STUDENTS AND STUDENTS' POSSESSIONS

When a school administrator has a reasonable suspicion to believe that a student is in possession of, or has within easy access, any form of drugs, drug paraphernalia, weapons, fireworks, alcoholic beverages, tobacco products, or any alleged stolen property, contraband or items which could cause a disturbance or which may endanger the safety of the student or any other person, a search of the student, her/his locker, desk, gym bag, electronic device, car, etc. may be conducted.

A student shall not refuse a search or impede a search of her/his person, including without limitation, his/her backpack, electronic devices, purse, locker, gym bag, car, or desk. Refusal to be searched or impeding a search will result in the behavior being classified as insubordination. Local law enforcement authorities may be called upon to assist in a search. Upon completion of any search, parents will be notified of the search and the results thereof. **Board Policy JFG and JFG-R also reference National Trail's Interrogations and Searches practice.**

MIDDLE SCHOOL AI USE POLICY

ARTIFICIAL INTELLIGENCE (AI)

General Guidelines

1. **No AI-Assisted Cheating** – AI may not be used to complete assignments, quizzes, tests, or projects in a way that misrepresents a student's own work. Using AI to generate answers and submitting them as your own is considered cheating.

2. **Responsible AI Use** – AI may be used as a learning aid when permitted by the teacher. This includes brainstorming ideas, summarizing concepts, and improving study habits.

3. **Class-Specific Policies** – Each teacher will outline specific AI guidelines for their course in their Moodle classroom. Students are responsible for following these guidelines and asking their teacher if they are unsure about AI use.

4. **Academic Honesty Consequences** – Violations of this policy will follow the school's academic integrity rules, which may include a reduced grade, a requirement to redo the assignment, or additional consequences as determined by school administration.

5. **AI in Creative and Research Projects** – In classes where AI is permitted for research, writing, or creative projects, students must properly credit AI-generated content as outlined by their teacher.

6. **Approved AI Sites** - Students may only use AI tools that have been approved by the school for classroom use. A current list of approved AI sites is available on the school website. Additional tools may be reviewed and approved based on teacher recommendations and evaluation by IT staff.

7. **Student Information** - Students must not upload or share personal or confidential student information on any AI platform. This includes information protected under FERPA or CIPA, such as names, grades, identification numbers, or other sensitive data.

By following these guidelines, students can use AI to enhance their learning without compromising their integrity. If you have questions about how AI can or cannot be used in a class, please check the class policy on Moodle or ask your teacher.

DETENTION GUIDELINES

Detentions may be assigned to students as a consequence for misbehavior. Any school employee who is responsible for the supervision of students may recommend a lunch or after-school detention. After-school detentions assigned for misbehavior are served in the assigned room on the assigned date from 2:35 to 3:30 pm. Detention is held on Tuesdays and Thursdays.

If a student skips a detention, they will receive the following consequences:
First Offense: An additional after-school detention (2). If the 2 after-school detentions are skipped, the next set of consequences will be at the Principal's discretion.

Students are required to bring schoolwork with them to work on during detention. At no time are students permitted to put their heads down or sleep during this obligation. A silent study atmosphere will be maintained at all times. Students are not permitted to eat or drink during detention and will not be permitted to use the restroom during this time. No one will be excused from the detention room during the detention period.

If a student is late to detention, does not bring appropriate materials, or misbehaves, he/she will be assigned an additional consequence. It is the student's and the parent's responsibility to arrange transportation home immediately after detention. **NO BUS PASSES WILL BE ISSUED FOR DETENTION STUDENTS.**

Detentions may only be reassigned in cases of family emergency and should be arranged in advance with the principal. Lack of transportation, job responsibilities, and extra-curricular activities are not satisfactory excuses for absence.

Students who do not attend their originally assigned after-school punishment (unless absent from school) will not be permitted to participate in extra-curricular activities until the punishment has been served.

EMERGENCY REMOVAL

The Ohio General Assembly provided that the notice and hearing requirements can be temporarily waived in an emergency when the student's presence "poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process."

1. Any building administrator may remove the student from curricular or extracurricular activities or from the school premises.
2. A school employee may remove the pupil from curricular or extracurricular activities under his/her supervision.
3. When a student is removed under an "emergency removal", an informal hearing, following the procedures for suspension, must be held within seventy-two (72) hours after the initial removal occurs.
    a. Written notice of the hearing must be given to the pupil.
    b. The hearing must be held in accordance with the suspension or expulsion procedures depending on the probable action to be taken.
    c. The person who ordered, caused, or requested the hearing must be present at the hearing.

SUSPENSION AND EXPULSION

According to provisions of the law, school administrators may suspend, and superintendents may expel a student from school for serious misconduct, which affects the welfare of the school, for flagrant violation of school rules, or repeated offenses of misconduct.

Suspensions may be for up to ten (10) days. The administrator may also recommend expulsion (for a period of time exceeding ten (10) days) to the superintendent at the time a student is suspended. Major offenses, which may be reasons for suspensions or expulsions, are listed in the Student Code of Conduct.

1. Students must be informed in writing of the intention to suspend with the specific charges listed.
2. The student must have the opportunity for an informal hearing:
   b. Student is afforded an opportunity to provide her/his version of the incident
   c. Must be permitted to review the allegations
3. The parent/guardian, the superintendent, and the treasurer of the Board of Education shall be notified in writing within twenty-four (24) hours of the suspension (ORC 3313.66) of the specific charges of the suspension.
4. Parent/guardian must be notified in writing of his/her right to appeal to the superintendent (the Board of Education designee).
5. Parent/guardian must be notified of the student's leaving school if the suspension starts before the end of the school day.
6. Students are encouraged to obtain their assignments and complete their work during suspensions. Parents/students are encouraged to contact the teacher by email or phone in order to obtain assignments from their child's teachers when a suspension occurs. Since the introduction of HB 410 in December 2016, students who are suspended are allowed to make up all classwork while suspended for full credit. Upon the first day back from suspension, it is the student's responsibility to turn in ALL work for credit.

APPEAL OF DECISION TO SUSPEND AND/OR EXPEL

If a student or parent does not agree with the Principal's decision to suspend, the student and/or the student's parents may appeal the decision to the Superintendent. If a student and/or the student's parents do not agree with a Superintendent's decision to expel, the student and/or the student's parents may appeal the decision to the Board of Education or its designee.

Students may also be assigned to the Disciplinary Alternative Education Program (DAEP) in lieu of suspension or expulsion. This program is housed at the Preble County ESC Success Academy in Eaton. Transportation may be provided.

HARASSMENT and BULLYING (Board Policy JFCF)

(Harassment, Intimidation, and Dating Violence)
Hazing means doing any act or coercing another, including the victim, to do any act of initiation into any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person.

Throughout this policy, the term bullying is used in place of harassment, intimidation, and bullying.

Bullying, harassment, and intimidation are intentional written, verbal, or physical acts that a student has exhibited toward another particular student more than once. The intentional act also includes violence within a dating relationship. The behavior causes both mental or physical harm to the other student and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or

abusive educational environment for the other student. This behavior is prohibited on school property or at a school-sponsored activity. Students found responsible for harassment, intimidation, or bullying by an electronic act may be suspended. **Discipline procedures will not infringe on any student's rights under the First Amendment to the Constitution of the United States. When the behavior is sexual harassment, the Title IX sexual harassment grievance process will be followed, if applicable, prior to imposing any discipline that cannot be imposed without resolution of the Title IX process.**

Permission, consent, or assumption of risk by an individual subjected to hazing, bullying, and/or dating violence does not lessen the prohibition contained in this policy.

The District includes, within the health curriculum, age-appropriate instruction in dating violence prevention education in grades 7 to 12. This instruction includes recognizing warning signs of dating violence and the characteristics of healthy relationships.

Prohibited activities of any type, including those activities engaged in via computer and/or electronic communications devices or electronic means, are inconsistent with the educational process and are prohibited at all times. The District educates minors about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms, and cyberbullying awareness and response.

No administrator, teacher, or other employee of the District shall encourage, permit, condone, or tolerate any hazing and/or bullying activities. No students, including leaders of student organizations, are permitted to plan, encourage, or engage in any hazing and/or bullying.

Administrators, teachers, and all other District employees are particularly alert to possible conditions, circumstances, or events that might include hazing, bullying, and/or dating violence. If any of the prohibited behaviors are planned or discovered, involved students are informed by the discovering District employee of the prohibition contained in this policy and are required to end all such activities immediately. All hazing, bullying, and/or dating violence incidents are reported immediately to the Superintendent/designee, and appropriate discipline is administered. **When employees have actual knowledge that the behavior is sexual harassment, they must contact the Title IX Coordinator.**

The Superintendent/designee must provide the Board President with a semiannual written report of all verified incidents of hazing and/or bullying and post the report on the District's website.

The administration provides training on the District's hazing and bullying policy to District employees and volunteers who have direct contact with students, and by November 30 annually reports to the Ohio Department of Education compliance with this requirement through the consolidated school mandate report. If the District reports noncompliance, the Superintendent/designee must provide a written explanation to the Board within 30 days explaining this noncompliance and a written plan of action for accurately and efficiently addressing the problem. Additional training is provided to elementary employees in violence and substance abuse prevention and positive youth development.

District employees, students, and volunteers have qualified civil immunity for damages arising from reporting an incident of hazing and/or bullying. Administrators, teachers, other employees, and students who fail to abide by this policy may be subject to disciplinary action and may be liable for civil and criminal penalties in compliance with State and Federal law.

No one is permitted to retaliate against an employee or student because he/she files a grievance or assists or participates in an investigation, proceeding, or hearing regarding the charge of hazing and/or bullying of an individual.

[Re-adoption date: September 22, 2020]

HARASSMENT and BULLYING (Board Policy JFCF-R)
(Harassment, Intimidation, and Dating Violence)

The prohibition against hazing, dating violence, harassment, intimidation, or bullying is publicized in student handbooks and in the publications that set the standard of conduct for schools and students in the District. In addition, information regarding the policy is incorporated into employee handbooks and training materials. **When the behavior involves allegations of sexual harassment, the Title IX sexual harassment grievance process will be followed, as applicable. When the behavior is sexual harassment, the Title IX sexual harassment grievance process will be followed, if applicable, prior to imposing any discipline that cannot be imposed without resolution of the Title IX process.**

School Personnel Responsibilities and Complaint Procedures

Hazing, bullying behavior, and/or dating violence by any student/school personnel in the District is strictly prohibited, and such conduct may result in disciplinary action, up to and including suspension and/or expulsion from school. Hazing, bullying and/or dating violence means any intentional written, verbal, graphic or physical acts, including electronically transmitted acts, either overt or covert, by a student or group of students toward other students/school personnel with the intent to haze, harass, intimidate, injure, threaten, ridicule or humiliate. Such behaviors are prohibited on or immediately adjacent to school grounds, at any school-sponsored activity, in any District publication, through the use of any District-owned or operated communication tools, including but not limited to District email accounts and/or computers, on school-provided transportation, or at any official school bus stop.

Hazing, bullying, and/or dating violence can include many different behaviors. Examples of conduct that could constitute prohibited behaviors include, but are not limited to:

1. physical violence and/or attacks;
2. threats, taunts, and intimidation through words and/or gestures;
3. extortion, damage, or stealing of money and/or possessions;
4. exclusion from the peer group or spreading rumors;
5. repetitive and hostile behavior with the intent to harm others through the use of information and communication technologies and other Web-based/online sites (also known as "cyberbullying"), such as the following:
    a. posting slurs on websites, social networking sites, blogs, or personal online journals;
    b. sending abusive or threatening emails, website postings, or comments, and instant messages;
    c. using camera phones to take embarrassing photographs or videos of students and/or distributing or posting the photos or videos online and
    d. using websites, social networking sites, blogs, or personal online journals, emails, or instant messages to circulate gossip and rumors to other students.
6. excluding others from an online group by falsely reporting them for inappropriate language to Internet service providers.

In evaluating whether conduct constitutes hazing or bullying, special attention is paid to the words chosen or the actions taken, whether such conduct occurred in front of others or was communicated to others, how the perpetrator interacted with the victim and the motivation, either admitted or appropriately inferred.

Teachers and Other School Staff

Teachers and other school staff who witness acts of hazing, bullying, and/or dating violence, as defined above, promptly notify the building principal/designee of the event observed and promptly file a written incident report concerning the events witnessed.

Teachers and other school staff who receive student or parent reports of suspected hazing, bullying, and/or dating violence promptly notify the building principal/designee of such report(s). If the report is a formal, written complaint, the complaint is forwarded to the building principal/designee no later than the next school day. If the report is an informal complaint by a student that is received by a teacher or other professional employee, he/she prepares a written report of the informal complaint that is forwarded to the building principal/designee no later than the next school day.

Complaints

1. Formal Complaints

Students and/or their parents or guardians may file reports regarding suspected hazing, harassment, intimidation, bullying, and/or dating violence. The reports should be written. Such written reports must be reasonably specific, including the person(s) involved; the number of times and places of the alleged conduct; the target of suspected harassment, intimidation, and/or bullying; and the names of any potential student or staff witnesses. Such reports may be filed with any school staff member or administrator. They are promptly forwarded to the building principal/designee for review and action.

2. Informal Complaints

Students, parents or guardians, and school personnel may make informal complaints of conduct that they consider to be harassment, intimidation, and/or bullying by verbal report to a teacher, school administrator, or other school personnel. Such informal complaints must be reasonably specific as to the actions giving rise to the suspicion of hazing, harassment, intimidation, and/or bullying, including person(s) involved, number of times and places of the alleged conduct, the target of the prohibited behavior(s), and the names of any potential student or staff witness. The school staff member or administrator who receives the informal complaint promptly documents the complaint in writing, including the above information. This written report by the school staff member and/or administrator is promptly forwarded to the building principal/designee for review and action.

3. Anonymous Complaints

Students who make informal complaints as set forth above may request that their name be maintained in confidence by the school staff member(s) and administrator(s) who receive the complaint. The anonymous complaint is reviewed, and reasonable action is taken to address the situation, to the extent such action (1) does not disclose the source of the complaint, and (2) is consistent with the due process rights of the student(s) alleged to have committed acts of hazing, bullying and/or dating violence.

4. False Complaints

Students are prohibited from deliberately making false complaints of harassment, intimidation, or bullying. Students found responsible for deliberately making false reports of harassment, intimidation, or bullying may be subject to a full range of disciplinary consequences.

Intervention Strategies

1. Teachers and Other School Staff

In addition to addressing both informal and formal complaints, school personnel are encouraged to address the issue of hazing, bullying, and/or dating violence in other interactions with students.

School personnel may find opportunities to educate students about harassment, hazing, intimidation, and bullying and help eliminate such prohibited behaviors through class discussions, counseling, and

reinforcement of socially appropriate behavior. School personnel should intervene promptly whenever they observe student conduct that has the purpose or effect of ridiculing, humiliating, or intimidating another student/school personnel, even if such conduct does not meet the formal definition of harassment, hazing, intimidation, or bullying.

2. Administrator Responsibilities

A. Investigation

The principal/designee is notified of any formal or informal complaint of suspected harassment, hazing, intimidation, or bullying. Under the direction of the building principal/designee, all such complaints are investigated promptly. A written report of the investigation is prepared when the investigation is complete. The report includes findings of fact, a determination of whether acts of hazing, bullying, and/or dating violence were verified, and when prohibited acts are verified, a recommendation for intervention, including disciplinary action, is included in the report. Where appropriate, written witness statements are attached to the report.

Notwithstanding the foregoing, when a student making an informal complaint has requested anonymity, the investigation of such a complaint is limited as is appropriate in view of the anonymity of the complaint. Such limitation of the investigation may include restricting action to a simple review of the complaint (with or without discussing it with the alleged perpetrator), subject to receipt of further information and/or the withdrawal by the complaining student of the condition that his/her report be anonymous.

When hazing and/or bullying are based on race, color, national origin, sex, or disability, and the behavior creates a hostile environment, the applicable nondiscrimination grievance procedures are implemented **where applicable**.

B. Nondisciplinary Interventions

When verified acts of hazing, bullying and/or dating violence are identified early and/or when such verified acts do not reasonably require a disciplinary response, students may be counseled as to the definition of the behavior, its prohibition and their duty to avoid any conduct that could be considered harassing, hazing, intimidating and/or bullying.

If a complaint arises out of conflict between students or groups of students, peer mediation may be considered. Special care, however, is warranted in referring some cases to peer mediation. A power imbalance may make the process intimidating for the victim and therefore, inappropriate. The victim's communication and assertiveness skills may be low and could be further eroded by fear resulting from past intimidation and fear of future intimidation. In such cases, the victim should be given additional support. Alternatively, peer mediation may be deemed inappropriate to address the concern.

C. Disciplinary Interventions

When acts of harassment, intimidation, and bullying are verified, and a disciplinary response is warranted, students are subject to the full range of disciplinary consequences. **Discipline procedures will not infringe on any student's rights under the First Amendment to the Constitution of the United States.**

Anonymous complaints that are not otherwise verified, however, cannot provide the basis for disciplinary action.

In and out-of-school suspension may be imposed only after informing the accused perpetrator of the reasons for the proposed suspension and giving him/her an opportunity to explain the situation.

Expulsion may be imposed only after a hearing before the Board, a committee of the Board, or an impartial hearing officer designated by the Board in accordance with Board policy. This consequence is reserved for serious incidents of harassment, intimidation, or bullying, and/or when past interventions have not been successful in eliminating prohibited behaviors.

Allegations of criminal misconduct are reported to law enforcement, and suspected child abuse is reported to Child Protective Services, per required timelines.

Report to the Custodial Parent or Guardian of the Perpetrator

If, after investigation, acts of harassment, intimidation, and bullying by a specific student are verified, the building principal/designee notifies the custodial parent or guardian of the perpetrator, in writing, of that finding. If disciplinary consequences are imposed against such student, a description of such discipline is included in such notification.

Strategies are developed and implemented to protect students from new or additional harassment, intimidation, or bullying, and from retaliation following reporting of incidents.

Reports to the Victim and His/Her Custodial Parent or Guardian

If, after investigation, acts of bullying or hazing against a specific student are verified, the building principal/designee notifies the custodial parent/guardian of the victim of the finding.
In providing such notification, care must be taken to respect the statutory privacy rights of the perpetrator.

Bullying matters, including the identity of both the charging party and the accused, are kept confidential to the extent possible. Although discipline may be imposed against the accused upon a finding of guilt, retaliation is prohibited.

School administrators shall notify both the custodial parents or guardians of a student who commits acts of harassment, intimidation, bullying and/or dating violence and the custodial parents or guardians of students against whom such acts were committed, and shall allow access to any written reports pertaining to the incident, to the extent permitted by law.

Police and Child Protective Services

In addition to, or instead of, filing a complaint through this policy, a complainant may choose to exercise other options, including, but not limited to, filing a complaint with outside agencies or filing a private lawsuit. Nothing prohibits a complainant from seeking redress under any other provision of State law or common law that may apply.

The District must also investigate incidents of hazing, bullying, and/or dating violence for the purpose of determining whether there has been a violation of District policy or regulations, even if law enforcement and/or the public children's services are also investigating. All District personnel must cooperate with investigations by outside agencies.
