Dear Parents,

We are very excited to announce that National Trail has partnered with FinalForms, an online forms and data management service that will be replacing MANY of our paper forms. FinalForms allows you to easily and quickly complete and sign enrollment, back-to-school and athletic participation forms for your students. The most exciting news is that FinalForms saves data from season-to-season and year-to-year, meaning that you will never need to enter the same information twice! FinalForms also pre-populates information wherever possible, for each of your students, saving you time.

You may review your data at any time to verify it is current but you will be required to sign your forms ONCE per year and after ANY update.

Click on the Parent Playbook (on our website) to get started in FinalForms. If you require any support during the process, scroll to the page bottom and click "Use Support".

We are asking that ALL parents of students use FinalForms.

If we have an active email, You should be receiving an account confirmation email from FinalForms. Please click the link and follow the steps to login and access your student(s).

Thank you for your assistance in streamlining our paperwork processes at National Trail Local Schools.

If you have any questions, please contact your student's office during regular business hours.

Thanks,

Robert O. Fischer
