Good Evening.....

Friday, March 13th will be National Trail's students LAST day of In-house Instruction through Friday, April 3rd (Spring Break is scheduled from March 30th - April 3rd). Starting the week of March 16th, National Trail Students will begin a non-traditional instruction model from home and more information will be sent over the weekend with additional details. We do ask that as students leave school tomorrow, that they take any needed class materials with them due to the fact that they will have limited to no access to the building from March 16th - April 3rd.

As a result of the mandated closure, effective at 3:30p on Friday, March 13th...ALL Building activities and ALL Building rentals will be postponed until further notice. In addition, ALL spring sports practices are being postponed until we receive further directives from the OHSAA.

As stated before, this is an ever-changing situation. However, the National Trail Local School District is promising to do our best to make sure we keep you informed. We ask for your patience as we continue to create some type of normalcy as we address this unprecedented action.

Will be in contact soon and our hope is that students will return to campus by Monday, April 6th.

Stay Safe!
Bob Fischer
