Parents,

NT students needing an electronic device during our non-traditional instructional days...may pick up devices between 9:30AM and 2PM on Monday (3/16) and Tuesday (3/17). We will do what we can to ensure pick-up is manageable for families.

Pick up will ONLY take place at the main entrance.

Please be sure that you have your permission slip, unless you have already turned it in, prior to arriving at the school.

If you already have a device, no additional action will be needed.

For students with limited or no internet capabilities...parents or students should reach out to their teachers for Non-Traditional Instructional activities.

A copy of the permission form may be found with this link:

Please stay tuned for additional information!!!

Thanks,
Bob Fischer
