Families,

Please find several informational items as we continue to plan for our students during the closing of our schools.

The first link (NTLSD Lunch Program) is the information on our lunch program that will start on Tuesday, March 17th. We have set various timelines, but ask for your patience as we deliver lunches for the first time. If we did not hit your area and would like a lunch, please call Heather Ludy at 937-437-3333 x 1241 and we will see what arrangements can be made.

The second link is our update for the week of 3/16. Within that link, you will find the basic timeline for NTI (Non Traditional Instruction) which starts on Wednesday, March 18th. We will send final information tomorrow regarding the NTI program.
