NT Community:

Just a few reminders:

- NT will be CLOSED Monday, March 16th until at least Friday, April 3rd. Please remember that Spring Break will be Monday, March 30th - Friday, April 3rd.
- NT is developing a plan to have lunch items available during instructional days. We hope to officially announce more details on Monday which would include pick-up locations and time frames.

Non-Traditional Instruction device pickup, for those students who need them, is from 9-2p on March 16th and March 17th. NTI will begin 3/18. More information regarding NTI will be forthcoming by the end of the day on Monday!

As stated many times, we continue to ask for patience and understanding as we work to create this experience for our families and students. We want to make sure that we are putting together a plan that our community can be proud of and one that truly offers the best experience for our students.

If you have any questions....please do not hesitate to call or email me.

Thanks,
Bob Fischer
