ARTICLE 1 - PREAMBLE

- A. The National Trail Board of Education, hereinafter referred to as the "Board", and the National Trail Education Association, hereinafter referred to as the "Association" affiliated with the Ohio Education Association, do hereby agree that the welfare of the children of the National Trail Local School District is paramount in the operation of the schools and will be promoted by both parties. The parties, therefore, enter into this Agreement as hereinafter set forth, based on their respective obligations and liabilities.
- B. Because of the above, it is understood and agreed that:
 - 1. The Board of Education, by law, has the final responsibilities for establishing policy in the School District.
 - 2. The Local Superintendent, hereinafter "Superintendent" and his staff have the responsibility for implementing the policies established by the Board.
 - 3. The Board and the Association subscribe to the principle that differences should be resolved through negotiations and/or the grievance procedure without interruption to the school program.
 - 4. Teachers have such privileges as are accorded to professional educators.
- C. This agreement supersedes any and all previous agreements between the parties hereto and is a final and complete agreement of all negotiated items that are in effect throughout the term of said Agreement. In addition, neither the Board nor the Association shall be obligated to negotiate on any item for the life of the Agreement, except as may be provided in this Agreement.

ARTICLE 2 - BOARD RIGHTS

The Board of Education is vested exclusively with rights of management as defined in Revised Code 4117.08(C) and shall otherwise retain all the rights, powers, duties, and authority granted by law and the Constitution of the United States and the State of Ohio, and may adopt, rescind, modify, establish, and maintain rules, regulations, and policies as it deems appropriate; provided, however, that such are not in conflict with this Agreement or applicable state statutes.

ARTICLE 3 - PROCEDURAL AGREEMENT

A. RECOGNITION

The Association shall be the recognized bargaining agent for all full or part-time certificated staff excluding the Superintendent, assistant Superintendent(s), building principal(s), assistant building principal(s) and substitutes, and all other for whom certification in supervision or administration is required as a condition of employment.

B. STATEMENT OF PRINCIPLES

"Good faith bargaining" means to perform the mutual obligation of the National Trail Local Board of Education, by its representatives, and the representatives of the National Trail Education Association to negotiate at reasonable times and places with respect to wages, hours, terms and other conditions of employment and the continuation, modification, or deletion of an existing provision of a collective bargaining agreement, with the intention of reaching an agreement, or to resolve questions arising under the agreement. This includes executing a written contract incorporating the terms of any agreement reached. The obligation to bargain collectively does not mean that either party is compelled to agree to a proposal nor does it require the making of a concession.

C. SCOPE OF BARGAINING

The Board and the Association shall bargain collectively to determine the following:

1. Wages
2. Hours
3. Terms and other conditions of employment.
4. The continuation, modification, or deletion of an existing provision of the collective bargaining agreement.

A request for bargaining for a successor contract shall be made not less than ninety (90) days nor more than one hundred twenty (120) days prior to the expiration of this contract.
2. All issues proposed for bargaining shall be reduced to writing in comprehensive style, when necessary, by each party, the Board and the Association, and presented to the other party at the first meeting as a complete package. Written mutual consent shall be necessary for the parties to discuss any additional proposal not submitted at the first meeting.

E. REPRESENTATION

1. Each bargaining team shall consist of no more than six (6) persons of which one would be designated as a spokesperson. All bargaining shall be conducted in executive session exclusively by the said teams, but an alternate may be substituted in case of absenteeism. At the first bargaining session, spokespersons will identify all members serving on their team. The parties agree not to add additional individuals to their team after the first bargaining session.
2. The parties may call upon consultants to assist in preparing for bargaining and to use them for consultation during bargaining sessions. The consultant shall be included in addition to the six (6) team members. The expense of the consultants shall be borne by the party requesting them.

F. BARGAINING MEETINGS

1. The bargaining team for the Board shall meet at such mutually agreed upon places and times with the bargaining team of the Association for the purpose of good faith bargaining. Following the initial meetings as described above, such additional meetings shall be held as the parties may require to reach an understanding on the issue(s) or until an impasse is reached. Section 4117.14 shall govern the bargaining and dispute resolution procedures.
2. Upon request of either party, the bargaining meeting shall be recessed to permit the requesting party a reasonable period to caucus. The period of time shall be thirty (30) minutes unless mutually agreed otherwise.
3. Each bargaining team shall be responsible for their own notes and records of bargaining sessions.

G. BARGAINING INFORMATION

1. The Superintendent and/or Treasurer shall furnish the Association, within a reasonable time, and upon written request, such necessary information as may be available and pertinent to the issue(s) to be bargained. Nothing herein shall require the Board to furnish information expressly compiled for the confidential use of the Board's team.

H. AGREEMENT

1. Tentative agreement on bargaining items shall be reduced to writing and initialed by the spokesperson of each party.
2. When substantive agreement on the total agreement is reached, the total agreement shall be reduced to writing and signed by the spokesperson of each bargaining team. Such agreement shall be submitted to the Association's membership for action. The Association shall notify the chief spokesperson for the Board of the Association's action. Upon ratification by the Association, the Board shall take action on the agreement within thirty (30) days. If the agreement is adopted by the parties, it shall be signed by the respective presidents.

I. DISAGREEMENT

1. When either party determines that bargaining impasse exists, that party may call upon the mediation services of FMCS to assist in resolving the impasse.
2. Provided at least ninety (90) days have passed since the Notice to Negotiate was delivered, provided this Agreement has expired, provided no successor agreement has been ratified, and provided FMCS mediation has been used, the Association may serve notice and carry out a strike in accordance with Ohio Revised Code 4117.

4. Care Leave or Illness Leave may be taken intermittently when medically necessary. If Intermittent Care or Illness Leave is foreseeable based on planned medical treatment, the Board may require the requesting eligible employee to transfer temporarily to an available alternative position for which the employee is qualified and that (A) has equivalent pay and benefits, and (B) better accommodates recurring periods of leave than the regular employment position of the employee.
5. When the necessity for Care or Illness Leave is foreseeable based on planned medical treatment, the employee is obligated:
 - a. To make a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the District, subject to the approval of the treating health care provider; and
 - b. To provide the Board with not less than 30 days' notice before the beginning date of the Leave, but if the date of treatment requires Leave to begin in less than 30 days, such notice as is practical shall be given.

The employee must also provide the

Board with a health care provider certification as to the date on which the treatment is expected to be given and the duration of such treatment.

Where a husband and wife are both employed by the Board, the total number of work weeks of Leave to which both may be entitled is limited to 12 work weeks during any 12-month period, if such Leave is taken for Birth or Placement Leave or to care for a sick parent on account of Care Leave. Each spouse is entitled to a full 12 work weeks of Illness Leave.
8. The employee may elect the substitution of the employee's accrued sick leave and personal leave for Birth, Placement, or Care Leave for any part of the 12-week period for such Leave.

F. PROTECTION OF EMPLOYMENT AND INSURANCE

1. Consideration shall be given by the Superintendent to reinstate staff members returning from Leave under this Article to the original, or a comparable position.
2. The Board shall continue to pay the Board's contribution to the current medical insurance plan for the employee while they are on a 12 week Birth, Placement, Care, or Illness Leave under this Article.

1. The Board may require (in the case of Care or Illness Leave) that the employee timely provide a copy of the treating health care provider's certification, addressing:
 - a. The date on which the "serious health condition" commenced;

- e. For purposes of Illness Leave, a statement that the employee is unable to perform the functions of the employee's job; and
 - f. In the case of certification for intermittent Leave for planned medical treatment, the dates on which such treatment is expected to be given and the duration of such treatment.
- 2. The Board may require, at its expense that the eligible employee obtain the opinion of a second health care provider designated or approved by the Board.
 - 3. During the Leave, the Board may require that the eligible employee obtain subsequent recertification on a reasonable basis.

H. EXTENDED UNPAID LEAVE

- 1. Any Leave under this Article, beyond 12 weeks in a year, may be granted by the Board upon request of the employee.
- 2. An employee granted such an extended leave (I.1.), may continue participation in group benefit plans, with the exception of term life insurance, at his/her own expense. Appropriate arrangements shall be made with the Treasurer to continue in such plans prior to the beginning of such leave.
- 3. The employee shall notify the Superintendent of intent to return from an extended leave at least six months in advance but not later than April 1, if the intent is to return in September. If the Superintendent is not notified, a vacancy shall exist.

I. RETURN FROM LEAVE

- 1. If a teacher takes a Leave under this Article which is to terminate within the last three weeks before the end of a school term, and the Leave is of more than five weeks duration, the Board may require the teacher to remain on Leave for the remainder of the term, under the same conditions as are required by this Article, even if all twelve weeks required by law have been used.
- 2. At the discretion of the Board and upon the recommendation of the Superintendent, any Leave requested and granted may be curtailed or terminated prior to the expiration of the full term for which the Board granted the Leave in the case of unforeseen circumstances eliminating the necessity for such Leave. The Board may require documentation that a doctor certifies that the employee is able to resume his/her full duties.

ARTICLE 19 - SEVERANCE PAY

- A. Severance pay will be paid to those eligible teachers who retire from active service in the State of Ohio and whose last school service was with the Board.
- B. Payments shall be made after notification and application from the teacher to the Board that the teacher's retirement is active with the State Retirement System. Such active status must be granted to said teacher within one hundred twenty (120) days from the last day of active service with the National Trail Local School District for such teacher to be eligible for payment for the Severance Pay provided herein. Application for severance pay shall be made within ninety (90) days after the first receipt of retirement benefits paid by the State Teachers Retirement System.
- C. The Board shall pay any teacher with ten (10) or more years of teaching experience under contract with National Trail Local Schools, who elects to retire as eligible under Article 19A of this agreement, twenty-five (25%) of the value of their accrued but unused sick leave. The ten (10) years must be consecutive and immediately prior to retirement. The exception would be a teacher who was initially hired by the National Trail BOE and subsequently their area of program became a satellite program of another educational entity. If, prior to the teacher's retirement the program returns to National Trail Local Schools and the original teacher that was in place when the program became a satellite program, the teacher would be eligible for the Severance Pay.
- D. Such payment shall be based on the teacher's daily rate of pay at the time of retirement. Such payment shall be made only once to any such teacher and shall eliminate all sick leave accrued by the teacher at that time.
- E. In order to comply with tax requirements, the payment of separation pay and retirement incentives will be made in two (2) payments unless one payment is requested by the teacher. The first payment will be included with the last check fulfilling the current agreement (August) and the second payment will be made in the first payroll distribution in January of the subsequent year.
- F. In the case of death of a member, severance pay shall be paid to his/her estate. The rate of compensation shall be in the amount as provided in this Article.

ARTICLE 20 - GRIEVANCE PROCEDURES

A. DEFINITIONS

1. A grievance is a complaint of an employee involving the alleged violation, misinterpretation or misapplication of a specific and express written provision(s) of this Agreement.
2. A grievant shall mean a person or group alleging that some violation of this Agreement has actually occurred. A grievance alleged to be a "group" grievance shall have arisen out of substantially similar circumstances affecting each member of said group and signed by members of that group. A "group" grievance may be filed by the Association on behalf of said group.
3. Any action by the Board to terminate, renew or not renew the contract of any professional staff member, whether such professional staff member is under a limited or continuing contract with the Board, or any recommendation by the Superintendent to terminate, renew or not renew any such contract shall not be deemed a grievance and may not be processed as such.
4. A day is defined as a working day or when school is in session unless otherwise set forth herein. In the event a grievance is filed at such time that it cannot be resolved by the close of the teacher work year, the grievance shall continue on time limits based on weekdays (excluding weekends and holidays) until resolution of such grievance. The parties may mutually agree to extend any or all steps to a certain time. In the event a grievance cannot be resolved because of the beginning of the Christmas or Spring break, further attempts at resolving shall be postponed until the return to school after the break.
5. Election of remedies - Upon the filing of a complaint by the grievant or on the grievant's behalf, in any court of competent jurisdiction demanding relief upon a matter which is the subject of a pending grievance, such filing shall be deemed a waiver of the rights granted herein and the grievance shall be deemed dismissed.

B. PROCEDURE

1. **Step 1 - Informal Procedure**
 - a. The aggrieved party, with or without representation by the Building Representative, shall discuss the grievance or complaint with their building principal.
 - b. This shall be accomplished within fifteen (15) days after the grievant knows or should have known the act or conditions on which the grievance is based. Failure to raise the alleged grievance as herein

provided shall be considered as a waiver of the rights granted in this Article.

2. Step II - Formal Procedure

- a. If a satisfactory solution is not effected, the aggrieved party shall present his/her written grievance to the principal within ten (10) days after the informal hearing. The principal shall, within ten (10) days of receipt of the grievance, conduct a hearing concerning the grievance. The aggrieved party may be represented by his/her Building Representative. The principal shall provide a written answer to the grievance and forward it to the concerned parties within ten (10) days from the time of the hearing.

3. Step III - Superintendent

- a. If a satisfactory solution is not effected, the Grievant shall invoke Step III in writing and present same to the Superintendent within ten (10) days after receiving the Step II answer. Any failure to invoke Step III as provided herein will be considered as the parties having reached a satisfactory resolution of the alleged grievance. The Superintendent shall decide whether to personally handle this Step of the grievance or delegate responsibility within ten (10) days of receipt of the grievance. The Superintendent or his/her designated representative shall provide a written answer to the grievance and forward to the concerned parties within ten (10) days from the date of receipt of the appeal or ten (10) days from the date of the Step III hearing requested by the Superintendent or designee (if one occurs), whichever is later.

4. Step IV - Board

- a. If the aggrieved party is not satisfied with the disposition of the grievance by the Superintendent, or if no disposition has been made within the above-stated time limits, the grievant may submit the grievance to the Board of Education. Failure to appeal the grievance at Step IV to the Board of Education within seven (7) days of receipt of the written decision of the Superintendent or designee shall be deemed a waiver of the right to appeal the grievance to Step V of the grievance procedure.
- b. The Board of Education shall hear the grievance at its next regular Board meeting occurring more than seven (7) days after receipt of the notice of appeal.
- c. The Board shall hear the grievance and provide the grievant with its decision in writing no later than fourteen (14) days after the hearing.

5. Step V - Arbitration

- a. If the Association is not satisfied with disposition of the grievance by the Board, then in no less than 15 days after receipt of the Board's answer, the Association shall submit a demand for arbitration to the American Arbitration Association. Selection of an Arbitrator shall be in accordance with the AAA rules and regulations. The AAA shall not have the authority to independently designate an arbitrator, but shall furnish the parties additional lists until an arbitrator can be selected. Each party shall strike those names unacceptable to them and return the list to AAA. Any arbitrator appearing on the list of acceptable arbitrators from both parties shall be designated as the assigned arbitrator.
- b. The Arbitrator shall have no power to alter, add to, or subtract from the terms of the contract, nor to make an award inconsistent with the terms of the Agreement or contrary to law.
- c. The Arbitrator shall issue his award within thirty (30) days of the close of the hearing. The decision of the Arbitrator shall be final and binding on the Board, the Association, and the grievant.
- d. The cost of the Arbitrator's services and the hearing room shall be shared equally by the Board and the Association.
- e. The Board shall implement the Arbitrator's decision within thirty (30) days of receipt of the Arbitrator's award.

C. MISCELLANEOUS PROVISIONS

1. The aggrieved teacher, the Board, and/or the representative of either shall not be denied the right to advice, counsel, and/or representation at Step III or thereafter.
2. A grievance may be withdrawn at any level without prejudice and no record of same shall be maintained in the grievant's personnel file.
3. If the teacher and/or Association do not abide by the time limits set forth, they forfeit their right to continue to the next step of the grievance procedure.
4. If the administrator does not abide by the time limits set forth, the teacher filing the grievance and/or the Association may proceed to the next step.
5. There will be no reprisals taken against any participant in the grievance procedure by reason of such participation.

6. Mutually agreed informal meetings between the parties may be held during the time between steps in an effort to affect a satisfactory resolution to the problem.
7. Any time limits or steps herein before set forth may be waived by the mutual written consent of the parties.
8. No grievance shall be carried to arbitration unless the NTEA has agreed to pay one-half (1/2) of the arbitrator's expenses as outlined in Step V of this procedure. NTEA shall have the exclusive rights to determine whether to proceed to the arbitration step of the procedure.
9. All grievances shall be filed at the lowest possible level. The lowest possible level means that level of the grievance procedure at which the administrator deciding the grievance has authority to make a decision, here after "appropriate administrator".

ARTICLE 21 - COMPLAINT PROCEDURE

(BOARD POLICIES/ADMINISTRATIVE RULES AND REGULATIONS)

- A. The Board has the sole and exclusive responsibility for adopting all policies governing the operation of the School District and charges the Superintendent with developing the rules and regulations to implement its policies. Occasionally, a complaint may develop that, in the interest of effective personnel management, should be addressed. Therefore, the following shall apply:

1. DEFINITIONS

- a. A complaint involves an alleged violation, misinterpretation, or misapplication of the personnel section, or any policy that specifically mentions teachers and/or directly relates to teachers in Board policy and administrative rules and regulations used to implement the same. This provision is not to supersede or take the place of the appropriate complaints to be filed under the provisions of the Grievance Procedure.

2. PROCEDURES

a. Step I - Informal

- 1) The complaining teacher shall discuss the complaint with their building principal or immediate supervisor in a face-to-face meeting. This meeting shall be held within fifteen (15) days of the act, omission, or condition which is the basis of the complaint. Failure to hold this meeting waives the complaint.

b. **Step II - Formal**

- 1) If the informal meeting does not satisfactorily resolve the matter, the complaint shall be identified and presented in writing by the complaining teacher to the Superintendent within ten (10) days of the informal meeting. The written complaint must contain a statement as to the nature of the complaint, stating how the policy/rule or regulation is being misapplied. It must state how the complaint may be resolved.
- 2) The Superintendent or his/her designee shall, within ten (10) working days of the receipt of the complaint, hold a meeting to hear the complaint. Within ten (10) working days of this meeting, the Superintendent or his/her designee shall issue a response in writing to the teacher.

c. **Step III**

- 1) If the action taken in Step II does not resolve the complaint to the satisfaction of the teacher or teachers involved, they may present the complaint in writing to the Board within ten (10) days of the receipt of the answer. The written complaint to the Board shall be filed with the Treasurer of the Board with a copy to the Superintendent. The Board will respond to the teacher or teachers within the thirty (30) days.
- 2) At any meeting held at Step II and beyond of this complaint procedure, the complaining teacher may be accompanied by the representative of their choice.

ARTICLE 22 - CLASS SIZE

- A. It shall be the policy of the Board to establish and maintain the most optimum class size possible, consistent with the financial condition of the school district, and the availability of teaching stations. The Administration shall attempt to adjust class loads as equitably as possible within the school district and within each individual school building.
- B. When a teacher or administrator identifies a potential classroom at risk, said teacher and building administrator shall initially have a conference to resolve the problem. If no resolution is satisfactory to both parties, the problem may be presented to the Principal Advisory Committee [PAC] for recommendations. If no recommendations are satisfactory to both parties, the problem will be presented to the Superintendent for resolution.
- C. Each principal Advisory Committee shall develop options for solving class size problems.

ARTICLE 23 - INCLUSION

A. CLASS SIZE

The determination of the size of regular classes with included special needs students shall take into consideration any extraordinary demands of physical space, teacher contact, and/or teacher supervision.

B. SPECIALIZED HEALTH CARE PROCEDURES

Qualified nurses and/or licensed medical technicians shall be the only employees to provide and conduct necessary medical procedures.

C. RELEASE TIME/COMPENSATION

Employees shall not be required to participate in the development of IEPs and/or attend IEP meetings beyond the hours of employment. Notification to participating teachers will be made one (1) working day before the meeting.

ARTICLE 24 - REDUCTION IN FORCE

A. When in the judgment of the Board, it becomes necessary to reduce the teaching staff because of decreased enrollment of pupils in the district, return to duty of regular teachers after leaves of absence, or including suspension of school or territorial changes affecting the District, or for financial reasons (including grade or curricular reorganization), such reduction will be made by non-renewal or suspension of contracts in accordance with the following procedure. Prior to such reduction, the Board shall notify the Association President of his/her intent to make such recommendation no less than sixty (60) days in advance.

B. If the Board effects staff reduction by suspending teachers' contracts, such contract suspension shall comply with Section 3319.17 of the Ohio Revised Code. Suspensions of contracts by the Board of Education shall be in accordance with the recommendation of the Superintendent of Schools who shall, within each teaching field affected, give preference to teachers on continuing contracts. When making a reduction in force, whether implemented by non-renewal of contracts, or by suspension of contracts, or by a combination of non-renewals and suspensions, the Board shall not give preference to any teacher based on seniority, except when making a decision between teachers who have comparable evaluations. For purposes of a reduction in force (including Displacement Rights and Recall Rights), evaluations shall be deemed comparable when the teaching performance ratings (on the most recent summative evaluations) show that the teachers under consideration have equal teacher performance ratings. For example, if each of two teachers has a performance rating of "Developing" on his/her most recent summative evaluation, then, for purposes of RIF, those two teachers are comparable; the teachers are not comparable if one teacher has a performance rating

that is higher than the other, such as when one teacher has a rating of “Skilled” and the other teacher has a rating of “Developing.”

C. All contract suspensions shall be based upon evaluation ratings, as follows:

1. The first to be suspended shall be those teachers (including both limited and continuing contract teachers) with evaluation ratings of “ineffective.”

For continuing contract teachers, the rating of “ineffective” shall be based upon the most recent three consecutive years of student growth data.

For limited contract teachers, the rating of “ineffective” shall be based only on the principal’s rating (not including student growth measures) until three consecutive years of student growth data are available, whereupon the overall (summative) rating-including student growth measures-shall be used.

2. The next teachers to be suspended shall be those teachers on limited contracts with ratings of “developing” who have improvement plans.

3. The next teachers to be suspended shall be those teachers on limited contracts with ratings of “developing” who have professional growth plans.

For (ii) and (iii) (above), the rating of “developing” shall be based only on the principal’s rating (not including any student growth measures) until three consecutive years of student growth data are available, whereupon the overall (summative) rating-including student growth measures shall be used.

D. If the Board effects staff reduction by non-renewal of teachers' contracts, (whether implemented by just non-renewal or a combination of non-renewals and suspensions), all contract non-renewals will be made on a system-wide basis in accordance with the following procedure:

1. Non-renewal of contracts shall occur to limited contract teachers by certificated (licensed) area, after giving consideration to the academic needs of the district. The Board shall not give preference to any teacher based on seniority, except when making a decision between teachers who have comparable evaluations.
2. Certificated (licensed) areas must be on record in teacher's personnel file by March 1 of any school year.

E. **DISPLACEMENT RIGHTS**

Any teacher (other than teachers having a performance evaluation of “ineffective”) displaced from his/her current teaching assignment under Section B or C above, may displace or “bump” a teacher in another teaching field if the displaced teacher’s most recent performance evaluation is higher than the other teacher, OR the displaced teacher’s most recent performance evaluation is comparable to the other teacher and the displaced teacher has greater seniority. In order for a teacher's area(s) of

certification/licensure to be considered, that teacher's certificate(s)/licenses showing such area(s) must be in the teacher's official personnel file as set forth above. The teacher exercising displacement rights may only do so in the field(s) in which he/she holds a certificate/license.

Teachers having a performance rating of "ineffective" shall have no displacement/bumping rights.

When considering displacement/bumping rights, among teachers with comparable performance evaluations at levels above "ineffective," preference shall be given to teachers according to contractual status and seniority in the following descending order:

1. Teachers having continuing contracts with the longest continuous service with National Trail Schools. Continuous service for continuing contract teachers shall be calculated by beginning with the date upon which the teacher's continuous service began, and not from the time the teacher was awarded a continuing contract.
 2. Teachers having multi-year limited contracts, beginning with those having the same number of years for their contracts and the longest continuous service with National Trail Schools, down to single-year limited contracts and longest continuous service with National Trail Schools. For example, when performance evaluations are comparable, all teachers having two-year limited contracts shall have preference over all teachers having single-year limited contracts; and, among all those same teachers having two-year limited contracts, preference shall be given to those having the longest continuous service with National Trail Schools.
 3. When a teacher is moved into another position through displacement/bumping, such teacher shall have only the hours of the position into which he/she bumped.
- F. It is understood that voluntary transfer requests may be considered, and involuntary transfers effected, in order to assign teachers whose contracts have not been non-renewed or suspended so as to meet the staffing needs of the District.
- G. **SENIORITY**
1. Seniority as used in this Article shall include:
 - a. One hundred and twenty (120) days or more in a paid status in any school year.
 - b. All time spent on military leave of service.
 2. Seniority shall be lost when a teacher resigns or leaves the employ of the Board due to non-renewal for purposes other than reduction-in-force reasons, exhaustion of recall rights, or termination of contract.

3. Seniority for purposes of this Article shall be recalculated:
 - a. By subcontracting time during a leave of absence if the duration of the leave of absence does not result in the teacher being in a paid status one hundred and twenty (120) days or more in any school year.
 - b. Time spent by a teacher during suspension of contract or non-renewal of contract for reductions-in-force will not be counted toward seniority if the teacher is reinstated.
 - c. An employee who is reinstated will not be considered a "new hire" for purposes of Medicare. An employee who is reinstated may opt to have his/her time spent on recall treated as if on a "Leave of Absence" for retirement purposes and purchase additional years of service by paying the total cost of such purchase (including all amounts which would otherwise be an obligation of the Board).
4. Where seniority among two or more affected teachers is equal, preference shall be given in priority as follows:
 - a. Total number of years of teaching experience.
 - b. Date of employment as determined by Board minutes.

- B. Should any provision or portion thereof of this Agreement be held unlawful and unenforceable by any court, legislative or administration tribunal of competent jurisdiction, then such decision or legislation shall apply only to that specific provision or portion thereof. The parties will meet in a committee to discuss the abrogated provision and its impact on the Agreement. Failure to reach agreement shall result in the use of the disagreement portion of this Agreement. Provided, however, nothing herein shall require the parties to submit to impasse procedure if such party would not have been required otherwise to so submit. The remainder of the Agreement shall remain in full force and effect.

ARTICLE 43 - NO STRIKE/LOCKOUT

- A. It is agreed that during the term of this Agreement, there shall be no lockout on the part of the Board, nor any strike, stoppage, slowdown or other interruption of work for any cause whatsoever by the employees or the Association.
- B. The Association agrees that it will not encourage, sanction or approve any strike, stoppage, slowdown, or other interruption of work during the term of this Agreement and the Association will actively discourage and publicly denounce any strike, stoppage, slowdown, or other interruption of work in violation of this Article.

ARTICLE 44 - STRS PICK-UP UTILIZING THE SALARY REDUCTION METHOD

- A. The Board shall designate each employee's mandatory contribution to the State Teachers Retirement System of Ohio as "picked up" by the Board as contemplated by Internal Revenue Service Revenue Rulings 77-464 and 81-36, although they shall continue to be designated as employee contribution as permitted by Attorney General Opinion 82-097, in order that the amount of the employee's income reported by the Board as subject to federal and Ohio income tax shall be the employee's total gross income reduced by the then-current percentage amount of the employee's mandatory State Teachers Retirement System contribution which has been designated as "picked up" by the Board, and that the amount designated as "picked up" by the Board shall be included in computing final average salary, provided that no employee's total salary is increased by such "pick up", nor is the Board's total contribution to the State Teachers Retirement System increased thereby.

1. The pick-up percentage shall apply uniformly to all members of the bargaining unit as a condition of employment. The pick-up shall apply to all compensation including supplemental earnings thereafter.
2. The parties agree that should the rules and regulations of the IRS, or retirement system change making this procedure unworkable, the parties agree to return, without penalty, to the former method of employee/employer contributions.
3. Payment for sick leave, personal leave, severance and supplementals, including unemployment and workman's compensation, shall be based on the employee's daily gross pay prior to reduction as basis (e.g., gross pay divided by the number of days in a teacher's contract).
4. Such salary reduction shall not result in a salary which is less than the salary available under the State minimum salary schedule. Should the reduction calculation result in a salary that is less than the State minimum salary schedule, pro-rata reduction shall result with the employee contributing that portion which falls below such State minimum level.
5. Each teacher will be responsible for compliance with Internal Revenue Service salary exclusion allowance regulations with respect to the pick-up in combination with other tax deferred compensation plans.

ARTICLE 45 - SCHOOL CALENDAR

- A. The creation of the calendar will be subject to the section of the Ohio Revised Code related to moving calendars from days to hours. The National Trail teacher work year calendar will be defined by 183 days. Any days missed beyond five (5) days due to calamity will be made up as determined by the Board of Education (BOE). The NT BOE and NTEA may agree to use Remote Learning Days for any days beyond the five (5) calamity days as described by the Ohio Revised Code (ORC).

ARTICLE 46 - LESSON PLANS

- A. Daily required lesson plans shall be prepared by each member and kept in the classroom. Such plans shall be available upon request by the appropriate administrator.
- B. A joint committee shall meet as necessary and recommend to the Superintendent procedures for lesson plans.

ARTICLE 47 - TUITION REIMBURSEMENT

- A. The Board shall appropriate monies annually for the purposes of reimbursing teachers for tuition for on-campus courses or approved off-campus courses.
1. To be eligible for this reimbursement, teachers sign up with the Superintendent or designee. The sign-up period begins July 1 of each year for the ensuing school year.
 2. Teachers will only be eligible for reimbursement for a maximum of one-thousand five hundred dollars (\$1,500) per school year.
 3. To be eligible for reimbursement, courses must be beyond the undergraduate level, in the field of education (which could lead to a degree program), and the teacher must receive credit for the course.
 4. Teachers must submit tuition bills to the Treasurer's office. Reimbursement will be made if official documentation from the college or university shows successful completion of the course.
 5. If a teacher receives tuition reimbursement from National Trail Local Schools for credit hours earned in a school year and then resigns from National Trail Local Schools prior to the next school year, National Trail Local Schools will withhold the tuition amount reimbursed to the teacher from the teacher's final paycheck. (The teacher may reach an agreement with the Treasurer allowing the tuition reimbursement amount to be withheld from the teacher's final multiple checks).

ARTICLE 48 - MAINTENANCE OF RIGHTS

- A. If a new district is formed (due to consolidation, jurisdictional change, or territorial transfer) it shall in no way diminish the individual contractual status, service credit for salary placement, or any other statutory entitlement that would have accrued to an employee had the district consolidation, jurisdictional change, or territorial transfer not taken place.
- B. Any transferring employee shall have the previous district service combined with the newly created district service, and it shall be considered "continuous service" for retirement benefits and any other statutory or contractual benefit which requires continuous service.

ARTICLE 49 - NATIONAL TRAIL LOCAL PROFESSIONAL DEVELOPMENT COMMITTEE

The National Trail LPDC (NT/LPDC) shall review and approve Individual Professional Development Plan (IPDP) proposals by teachers and administrators based on the format and program established by the NT/LPDC and the Preble County consortium of Schools LPDC (PCCSLPDC), in accordance with O.R.C. 3319.22 and the Department of Education Regulation 3301-24-08. Each educator who desires to fulfill the certificate/license renewal is responsible for the design of an IPDP, subject to approval of the NT/LPDC. The plan shall be based on the needs of the educator, the students, the school, and the district.

A. NT/LPDC MEMBERSHIP

The NT/LPDC shall be comprised of five (5) members. Three (3) members shall be teachers and two (2) members will be from the administrative team. Appointments shall be made prior to September 1. When the committee is considering the plan of an Administrator, Treasurer or other school business official, the number of teacher committee members will be reduced by two (2). The members of the committee who are teachers, will determine which two members will temporarily leave the committee. If the administrator who submits a plan is a member of the NT/LPDC, he/she will be replaced for the purposes of considering his/her plan only, by an Administrator to be named by the Superintendent.

B. APPOINTMENT, TERMS, STIPEND

The three (3) teacher members shall be appointed as per the NTEA Constitution and By-Laws. The administrative team members will be appointed by the Superintendent. The LPDC teacher members will serve rotating terms as per the NTEA Constitution and the By-Laws. The administrative members will also serve rotating terms.

C. OPERATING PROCEDURES

Members of the LPDC shall elect a Chairperson from the membership at the first meeting of the LPDC. Additionally, the LPDC will determine its operating procedures and meeting schedule by consensus. The number of meetings shall be held so to keep district costs at a minimum. Where consensus is not possible, a vote of a simple majority of the members present will be required. A quorum shall be three of the five committee members to conduct LPDC business. A minimum of two teachers and one administrator shall constitute a quorum for taking action on a classroom teacher's IPDP.

Two administrators and one teacher shall constitute a quorum for taking on an administrator's LPDP. The Board shall be responsible for clerical and recordkeeping service for the NT/LPDC.

D. APPEALS

An educator may request a written explanation of the decision of the NT/LPDC and may appeal the decision to the Preble County Consortium LPDC. The approval or disapproval of an IPDP Plan is not subject to the grievance procedure in the Negotiated Agreement.

**E. RELATIONSHIP TO AND ROLE OF PREBLE COUNTY CONSORTIUM OF SCHOOLS

1. The Preble County Consortium of Schools Local Professional Development Committee (PCCSLPDC) will develop the format for Individual Professional Development Plan (IPDP) proposals, facilitate the training needs of NT/LPDC members, coordinate county-wide in-service activities, help provide information for county-wide program decisions, establish a county-wide Entry-Year Program, maintain a Mentor Program, and serve as the appeals board when an educator's IPDP is not approved by the NT/LPDC.
2. Teacher members of the PCCSLPDC from the National Trail Local School District will be appointed in accordance with the Constitution and By-Laws of the Association.
3. Compensation for all National Trail teacher members of the PCCSLPDC will be Home Instruction Rate as defined in this Negotiated Agreement, for PCCSLPDC meetings outside the school day. Release time shall be used as needed, with the approval of the Superintendent.

The deduction of said amount shall commence on the first pay date occurring on or after forty-five (45) days from the termination of membership.
- E. The Board further agrees to accompany each such transmittal with a list of the names of the bargaining unit members for whom all such fair share fee deductions were made, the period covered, and the amount deducted for each.
- F. The Association represents to the Board that an internal rebate procedure has been established in accordance with Section 4117.09(c) of the Revised Code, and that a procedure for challenging the amount of the representation fee has been established and will be given to each member of the bargaining unit who does not join the Association, and that such procedure and notice shall be in compliance with all

applicable state and federal laws and the Constitution of the United States and the state of Ohio.

- G. Upon timely demand, non-members may apply to the Association for an advance reduction/rebate of the fair share fee pursuant to the internal procedure adopted by the Association.
- H. The Association agrees to hold the Board harmless in any suit, claim or administrative proceedings arising out of or connected with the imposition, determination or collection of fair share fees in accordance with this provision, to indemnify the Board for any liability imposed on it as a result of any suit, claim or administrative proceedings, to provide legal defense for the Board in any such suit, claim or administrative proceedings.

- N. For any insurance coverage, a reemployed teacher must be carried on his/her spouse's insurance(s), if possible. If coverage through a spouse is not possible, the reemployed teacher may enroll ONLY under an individual/single health insurance plan through National Trail. However, if the spouse of the reemployed teacher is currently an employee of National Trail, then the reemployed teacher and spouse may elect to obtain health insurance coverage under one family plan or two individual/single insurance plans through National Trail. All insurance coverage is subject to the normal application process and other requirements of the carrier.
